AUSTRALIAN ACCOUNTANTS, LAWYERS & DIRECTORS CONFERENCE™

WE ARE PROUD TO INVITE YOU TO THE 14TH CONFERENCE AND WELCOME THE SUPPORT AND PARTICIPATION OF THE SPONSORS; THE INSTITUTE OF PUBLIC ACCOUNTANTS, VIRGIN AUSTRALIA, GRAYSONLINE, CRISP LEGAL, HILL ROGERS FINANCIAL SERVICES, NSC GROUP, HUGH GYTON AND ASSOCIATES, E.L.&C.BAILLIEU STOCKBROKING LTD, MYACCOUNTS, THE AUSSIE GROUP, BEND + MEND, CARRERA AND HEAD. WITHOUT THEIR SUPPORT THE CONFERENCE SIMPLY WOULD NOT GO AHEAD.

The inaugural Conference was held in 2000 in Aspen, Colorado. In 2001 it was moved to Whistler, British Columbia, where it was held for the next six years before returning to Colorado, at Steamboat Ski Resort in 2007 and then back to Aspen in 2008 where it has been held since. We are very pleased to be returning to Aspen in 2013.

Formally the Australian Accountants & Lawyers Conference, the program has recently been expanded to accommodate company directors to better reflect the recent delegate mix of the conference. Non accountants & lawyers who have attended have indicated the professional program is relevant to the everyday operations of a business. This is particularly appropriate given accountants and lawyers are an integral part of any business and that prudent directors will often seek the counsel of their professional advisors when considering many business decisions. We hope to attract more directors for the mutual benefit of all delegates and enhance the networking opportunities already available at the conference.

Clearly, the professional and director who keeps up to date with recent developments is in a better position to best conduct his or her practice or business. How do we identify problems before they overtake our clients and what steps can be taken to maintain systems at efficient and effective levels? In its 14th year, the Conference will create meaningful discussion to find new and creative solutions to problems faced by the professions. The program is designed to provide CPE, CPD, CLE and MCLE points for participation (however participants should make independent enquiry*).

Previous Conferences have been well attended by accountants, lawyers, directors and the cross fertilization, without exception, has professionally extended every presentation. Additionally, the open forum sessions have provided a stimulating interchange beneficial to all delegates and networking opportunities.

The Conference program has been structured to be of professional interest to other advisers who are often called upon by the accountant, lawyer and director. We welcome and encourage non accountants and lawyers to attend the Conference for the mutual benefit of all delegates.

The Australian Accountants, Lawyers & Directors Conference™ 2013 will emulate the high standard of professional content and relaxed friendly environment of previous conferences.

The Conference provides a great opportunity to compensate families for the disruption caused by the demands of the busy professional and commercial life. Your family can be actively or passively involved in various aspects of the program.

Early registration is highly recommended. Numbers are limited and places will be allocated strictly in order of receipt of deposit payment. Travelplan Australia has special rates with airlines however these seats will fill quickly and once exhausted, higher fare levels will likely apply.

It is important to BOOK EARLY to avoid disappointment.

As package prices have been negotiated on group fares and hotel rates, immediate confirmation for those wishing to register outside the package cannot be guaranteed however a waiting list will be established and places offered only in the event of the Conference package not being fully subscribed. In the event of the Conference being fully subscribed all subsequent booking and registration fees received will be refunded.

Please call Ian Purchas on: 02 9231 0889 to discuss.

The Conference is promoted by Travelplan Australia Pty Limited.

GENERAL INFORMATION AND BOOKING CONDITIONS – TRAVELPLAN AUSTRALIA PTY LTD

Please read carefully and ensure that you understand and accept the conditions and information outlined.

Reservations A Booking Form must be received by Travelplan at time of deposit to proceed with booking. Non-refundable ground package deposit of \$800 per week per person. Balance of payment due eight weeks prior to departure or according to airfare rules. Higher deposits up to 50% are sometimes required by hotels and apartments, and Christmas bookings generally have to be finalised by October.

Credit Card Payments We will add a surcharge of 1.0% for Visa and MasterCard, 2.5% for Diners Club and 3.0% for American Express. Credit card payments are accepted on the express understanding that you authorise Travelplan Australia Pty Ltd to pay deposits and balance payments on your behalf to airlines, accommodation operators and other principals involved. In consideration of doing so, you will not hold Travelplan Australia Pty Ltd responsible for the insolvency and/or failure to perform of airlines, accommodation or any other principal involved, and in any of those events, you will not ask your credit card provider to revoke payments made, where Travelplan Australia Pty Ltd is the merchant in such transactions.

Currency Adjustment Policy All Travelplan prices, denominated in AUD, are subject to variation due to volatility in foreign exchange prices. Any variation to listed prices will be based on the rates available to Travelplan at the time the deposit is paid by the client and again on payment of the final balance. Our exchange rate at date of deposit is only taken into account for amount of deposit paid to overseas supplier. Travelplan may take out foreign exchange contracts to protect the client and Travelplan from excessive adverse movements in AUD exchange rates. For this reason, the foreign exchange rate applied to client payments may differ from the current market rate. The Travelplan Ski 2013 brochure is based on Travelplan exchange rates at 1 May 2012.

Currency Protection Options There are two options to protect your booking against currency fluctuation. At any time you can lock in the current package and airfare costs by paying the balance amount in full, based on current Travelplan exchange rates. Land costs can alternatively be protected against currency fluctuation for a small fee. The Currency Guarantee Charge is currently 1.8%. Contact your Travelplan consultant for further details. Either of these actions will mean your Travelplan land costs will not change due to currency fluctuation. This protection only applies to Travelplan operated packages, and against currency fluctuation. Should you subsequently cancel all or part of your land booking, a charge may be made against any adverse currency effect on Travelplan.

Responsibility Travelplan Australia Pty Ltd acts as a booking agent only for the persons or organisations providing or offering the means of travel, accommodation, ski lifts or services detailed and as such cannot be held responsible for any injury, loss, accident, delay or any other irregularity outside of our control. The issuance and acceptance of any receipt, voucher, coupon, exchange order, air ticket or itinerary shall be deemed as consent by the client to the above conditions.

Baggage Allowance We recommend prior to departure, you check exact baggage restrictions with the airlines on your itinerary. The following information is given as a guide, but is subject to change. Domestic flights often do not include free checked luggage, particularly in the United States. Airlines may waive baggage charges on domestic flights if you are connecting to/from an international flight, or upon presentation of your international ticket at the check-in counter. If more than one airline is providing the transportation for journey, each airline may apply different rules on both checked and carry-on luggage. Generally speaking, for flights to North America, one suitcase is allowed (two suitcases on Qantas and Virgin Australia) with a combined total dimension of 106" (269cm) with no one suitcase exceeding 62" (157cm), with max 23kg for Economy Class or 32kg for Business/First Class per piece. One set of ski equipment counts as one piece of baggage. For flights elsewhere free baggage allowance is generally 20kg total for Economy Class, 30kg for Business Class and 40kg for First Class. Maximum 1 piece per person carry on luggage. All carry on luggage must comply to size restrictions enforced by the airlines and each piece must not weigh more than 7kg.

Passport and Visa A passport is required for overseas travel, with a validity of six months after your return date. For some countries a consular visa or travel authorisation is also required. We will assist in obtaining necessary travel documents and advise on health regulations. However, the possession of such documents is solely the passenger's responsibility. All eligible travellers to the United States (including those in transit) who wish to travel under the Visa Waiver Program must now apply for authorisation using the Electronic System for Travel Authorisation website, visit <https://esta.cbp.dhs.gov>. As part of the Secure Flight program, your passport information must also be entered into your flight bookings, please provide details on your Booking Form.

Cancellation Airfares are subject to up to 100% cancellation fee once tickets are issued. Please reconfirm airfare conditions with Travelplan. A cancellation service fee up to \$100 per person may be charged for a booking cancelled more than 60 days prior to scheduled departure date. This fee will increase to up to \$300 per person for bookings cancelled from

60 to 45 days prior to scheduled departure date. This fee does not include cancellation charges by accommodation and/or other principals. Ski hotels have very stringent cancellation policies particularly in the United States. Generally if a cancellation is received inside 45 days prior to departure you will lose all monies paid. Prices All prices shown in Travelplan's brochure are based on airfares and projected currency exchange rates at 1 May 2012 and are subject to change without notice for any reason whatsoever. Prices do not include local, airline, customs or departure taxes, insurance, gratuities or any other costs not detailed in final invoices or itinerary. Additional costs caused by weather, failure of transportation services or other circumstances beyond our or our principal's control are not included or recoverable.

Airlines All tour arrangements are performed under the exclusive responsibility of different contractors. Airlines, therefore, act only as agents for the contractors providing the various services herein and do not accept any liability in connection with such services or for any loss, injury or damage to or in respect of any person or property. Airlines will only be responsible for air carriage performed by them. Such air carriage will be subject to the provisions referred to in the conditions of contract contained in the passenger ticket. Qantas Airways Limited (Incorporated in Queensland), United Airlines, Air Canada, Emirates, Japan Airlines, Cathay Pacific, Delta Airlines and V Australia do not by virtue of their endorsement of Travelplan's brochure represent themselves either as contracting with any purchaser of a holiday from Travelplan or as having any other legal relationship with any such purchaser.

Service Fees Due to the continued change in the way the industry is run and remuneration paid, it has become necessary to implement a series of service fees. A charge up to \$50 may apply for each and every amendment after booking instructions have been received. This charge is in addition to any cancellation fees that may apply. Other service fees are enforceable, please refer to the list of service fees.

Travel Insurance All passengers must travel with adequate insurance cover. A comprehensive policy should be taken out at the time of booking. Travelplan Ski or your travel agent can arrange this cover on your behalf.

Validity The tours in this brochure are valid from 1 May 2012 to 30 April 2013 unless superseded.
